

Barrel Water Butt – 270L

Barrel 270L

Barrel Water Butt

Modelled on an old oak barrel, the Barrel is an attractive water butt with a realistic wood effect finish. The Barrel has a truly superb level of detailing.

This space saving water butt is a classic design and will look good in all types of gardens.

The butt features a $\frac{3}{4}$ " brass connection point for a screw in tap and a side outlet for draining or connecting to another tank. Supplied with brass tap.
